

## **Brigg and District Netball Club**

**C/O 51 Swift Drive, Scawby Brook, Brigg.**

**North Lincolnshire. DN20 9FL**

**E-mail: [mail@briggnetball.co.uk](mailto:mail@briggnetball.co.uk)**

### **The club was founded in 2000 by Vanessa McErlain-Naylor**

With more than 80 fully paid up members, and many more that come and play on a more casual basis, the club is able to field 11 teams of various ages and abilities, from Hi5 to senior level

Teams play regularly in local leagues:- Doncaster – Grimsby, county leagues of Lincolnshire and Humberside and the regional leagues of East Midlands and Yorkshire.

For the last 10 years our teams have achieved promotion to play in the regional league and been in the National play offs for 5 of the last 6 years.

The club has won the Lincolnshire club of the season four times, and in 2012 England Netball gave us a National award for being the most Outstanding Club of the Year. The club has received many awards throughout its 15 years, far too many to list here.

Every year we have between 20 and 25 players who take part in the England Netball Pathway Academy Training Programme

All our club officials are unpaid volunteers, and our coaches hold UKCC accreditation from level 1 up to level 3. With many more going through training to reach the required standards

One official is designated children's safeguarding officer

All club officials are CRB Checked

Vanessa who is the chair of the club and head coach, she also manages the under 19 junior Yorkshire Jets squad. In 2013 she was approached by the Maccabiah GB to take a junior team out to the 19th Maccabiah games in Israel. This resulted in Great Britain's first Netball Gold Medal ever in these games.

Over the years the club has taken a number of teams to play in various tournaments, (not local) coming home with varying levels of successes.

All in all, the club can truly claim to be a local club for local children, and a place for them to develop their talent within the county.
